Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	Per calendar year: <a href="#">Participating Providers</a> \$1,000/individual.	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay.
<b>What is the Family <a href="#">deductible Savings Provision</a>?</b>	If three (3) or more qualified family members enroll in individual Pool Policies with the same <a href="#">deductible</a> amount, then reduced <a href="#">deductible</a> limits may apply.	The entire Family meets an annual <a href="#">deductible</a> when the total <a href="#">deductible</a> amount for all family members reaches two times the individual <a href="#">deductible</a> amount chosen. Note: If an Enrollee's individual <a href="#">deductible</a> is met, no more charges incurred by that Enrollee may be used to satisfy the Family Deductible.
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Network copayments</a> , <a href="#">network preventive care</a> , non-intensive mental health & substance abuse outpatient treatments, and <a href="#">prescription drugs</a> are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No. There are no other specific <a href="#">deductibles</a> .	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	Per calendar year: <a href="#">Participating Providers</a> \$5,000/individual.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services.
<b>What is the Family <a href="#">out-of-pocket Savings Provision</a>?</b>	If three (3) or more qualified family members enroll for Pool Policies with the same <a href="#">out-of-pocket</a> amount, then reduced <a href="#">out-of-pocket</a> limits may apply.	The entire Family meets an annual <a href="#">out-of-pocket</a> limit when the total <a href="#">out-of-pocket</a> amount for all family members reaches two times the individual <a href="#">out-of-pocket</a> limit. Note: If an Enrollee's individual <a href="#">out-of-pocket</a> limit is met, no more charges incurred by that Enrollee may be used to satisfy the Family <a href="#">out-of-pocket</a> .
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

<p><b>Will you pay less if you use a <a href="#">participating provider</a>?</b></p>	<p>Yes. : PHCS network.. Call (866) 930-7427 www.phcs.com. For facilities: Zelis Provider Network. Call (844) 728-7896/ TTY (844) 728-7897 www.nmmip.org</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. <u>Services received from an <a href="#">non-participating provider</a>, are not covered unless emergent or urgent. If you receive services from an <a href="#">out-of-network facility</a>, you may receive a bill from the <a href="#">facility</a> for the difference between the <a href="#">facility</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>).</u> Be aware, your <a href="#">participating provider</a> might use a <a href="#">non-participating provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p> <p>*This plan provides certain protections under the New Mexico Surprise Billing Act in the event you receive services from an Out-of-Network provider. Please refer to the NMMIP Policy Booklet: Provider Choices, for more information.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p>No. You don't need a referral to see a <a href="#">specialist</a>.</p>	<p>You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>.</p>
